We Source IT Better, We Manage IT Better, We Refresh IT Better

CADAN WEB SELECT

POOL HOURS

Don't have enough time for your website?

Cadan Technologies Web offers customizable plans that will fit your needs.

Services

With this contract you will get - Weekly website backup and patching, monitoring to ensure all of your web site components are secure and operating correctly with the latest software versions. You will also receive pool hours every month to be used as you please. Use them for content changes, design updates, or development - whatever website needs you have.

Labor

You will also receive a 20% discount on all web labor rates including web repairs, content changes and projects.

Advantage

Purchase of this Web MSA allows clients to participate in the Web Refresh Plan, which entitles you to purchase of a new website build or redesign at a discounted rate and with payments disbursed over a 12-month period.

Call us locally at 952-278-0580 or Toll-Free at 888-882-2326.

We are also available via email at helpme@cadan.com.
